Access Guide & Download Links

Thanks for your purchase! Click the buttons below to access each folder. If a link ever breaks, message me on Etsy—I respond quickly.

Tip: For the smoothest experience, use a web browser (not the Etsy app) and ensure you're signed into Google. Sharing should be set to **Anyone with the link** → **Viewer**.

Help & Tips

- If Google shows a 'Request access' page, change the folder sharing to 'Anyone with the link → Viewer'.
- You can also mirror these folders to Dropbox or OneDrive and add those links to the 'Mirror Link' column later.
- On mobile, open Etsy in your browser (not the app) to download this PDF and access links.
