THANK YOU FOR PURCHASING: BUY THIS COMPLETE SHOP — PLR DIGITAL BUSINESS KIT

Inside this folder you will find:

- Worksheets (to plan products and offers)
- Planners (to organize your launch and content)
- Templates (copy-paste text for your store and emails)
- Trackers (to monitor sales and traffic)
- Checklists (so you don't miss important steps)
- Flowcharts (to understand your funnel and customer journey)
- Mockups & branding assets
- Bonus guide PDF

Recommended flow:

1. Start with the “store-setup-checklist.pdf”
2. Use the worksheets to define your niche and product lineup
3. Customize the templates with your brand name
4. Use the mockups for your store and social media
5. Track performance with the trackers

If you have any issues, contact support via your purchase platform.
